BIOS OF PROPOSED SLATE OF OFFICERS AND DIRECTORS

POSITION: CHAIR

DAVID DEAMER **Polygon Homes**

Education: Graduate of Building Engineering Technology (Building Science) program at the British Columbia Institute of Technology.

Experience: I have spent the last 16 years in a construction management role, currently as Vice President Construction for Polygon Homes Ltd. with a focus on the construction of multi-family residential projects throughout the Lower Mainland. My responsibilities include: review of design drawings, construction design input, initiating onsite construction, preparation and management of the project budgets and schedules, scope of work and tender preparation, procurement of trades, contract administration, construction monitoring and obtaining occupancy permits. Prior to this, I spent six and a half years as a Building Envelope Consultant with Morrison Hershfield Ltd., providing building envelope design reviews, on-site inspections of new construction projects, contract administration (owners representative) for large scale building envelope restoration projects as well as completing building envelope condition assessments of existing buildings.

POSITION: 1ST VICE CHAIR

HENRI BELISLE **TQ Construction**

Henri Belisle is the President and Co-Owner of TQ Construction, a family operated business founded over three decades ago by his father Ralph Belisle who, beyond his wildest dreams, grew the business on firm handshakes and knocking on doors — building TQ from nothing into a nationally acclaimed company.

Committed to upholding TQ's foundational values for the future, and continuing TQ's tradition of excellence, Henri is a Red Seal Carpenter trained at BCIT and is continually seeking to deepen his understanding of residential construction. Under Henri's sustainable leadership, TQ Construction continues to evolve as an innovative and progressive design-build firm that bends to stand the test of time; an industry leader known for quality craftsmanship and uncommon service.

Long before achieving his Red Seal in carpentry at BCIT, Henri worked alongside his family in construction as a kid and developed an affinity for the design-build sector. While overseeing the day-to-day operations of the business, Henri is Past-Chair of HAVAN's Young Professionals Committee, Vice-Chair for HAVAN's Renovation Council, and an enthusiastic volunteer and liaison to the Homebuilders Association Vancouver. He knows that anything is possible if you have the right people around you, with everyone pulling in the same direction.

POSITION: 2ND VICE CHAIR

ALISA ARAGON-LLOYD **Bridgestone Financing Pros**

Alisa is the founder and CEO of Bridgestone Financing Pros, offering personal and business funding solutions to individuals, families, builders, renovators and developers with large and small projects. The company works with builders to create investment strategies to start or expand their real estate portfolio. She has an extensive and varied experience after working for 14 years with high profile companies, including Polygon Homes, Ledingham McAllister, The Quigg Group, Pinnacle International, Maverick Real Estate and Hollyburn Properties. In 2010, she moved into the financing arena as a licensed Mortgage Expert. She has been quoted in several publications and is regular contributor of the New Home & Condo Guide, the Reno & Décor Guide and a past monthly contributor to the Real Estate Weekly (REW.ca). She has been an expert panelist along with BC Housing, CMHC and Fortis. In addition, Alisa holds a Marketing Management Diploma from BCIT.

Alisa has been an active member of HAVAN for over 10 years. She is the current Chair of the Supplier's Council, is the past Vice Chair of the Membership Committee and part of the Golf Committee. In addition, she volunteers at numerous HAVAN events. She has won Supplier Member of the Year 2016, Rooftopper of the Year – Supplier in 2015, 2016 and 2017 and Volunteer of the Year in 2014 and 2018.

Alisa gives back to her community by teaching high school students all about financial literacy in the classroom.

POSITION: TREASURER

**CHRIS MOULD
